The Spirit Of '76

*Make way for us; here we come
We're the future — America's young.
Don't criticize or mock your youth,
Just like you, we search for truth.
Hypocrisies won't get us down
We will strike where these abound.
There's much to do; we're needed here,
To help preserve what we hold dear.*

*We'll work together hand-in-hand,
To assist our fellow man.
In this land our fathers made,
We stand together unafraid.*

*Give us room; let us by,
The youth of America have arrived.
There's nothing wrong that we can't fix,
We're the Spirit of '76!*

This group of fine students are the future actors of America. They proved just that in their fine production of McGillicuddy McGoatham.

With the luck of the Irish, two and one-half weeks after practice began, the senior class put THE most tremendous and unforgettable performance ever seen on this side of the Mississippi. Carol Huenergard, student director, worked well with Miss Dedo, Linda Woloschek and Vicki Thomas worked hard setting the scene as prop directors. Stage managers Warren Lillund and Mike Brey quickly changed the scenes and kept the play running smoothly. Pete Rondello livened up our play with music and Sheila Bauman brought the people rushing in with her fantastic publicity job.

Putting the Northern Trail together required alot of time and patience. It got quite hectic at times with meeting deadlines, making layout, typing copy, and thinking up captions. I would especially like to thank our Adviser Miss Maurer, Mr. and Mrs. Tilley, Mr. Check and Mr. Ed Last, our representative from Josten's American Yearbook Company. Without these people, putting the Northern Trail together would have been impossible to do. I hope this year's Annual has captured the moments, memories, and feelings that we all experienced this past school year.

Is there life after high school?

"Congratulations," they said. "This isn't the end...it's just the beginning." They've said it a thousand times at a thousand graduations. While many young people just like you sat there thinking, "Where do I go from here?"

Where do you go for challenge?
And opportunity?
Go Navy.

If you qualify, you'll get some of the best training available in highly skilled job fields. From missile technician to nuclear propulsion.

And you'll live a little, too. Travel. Work hard. Even swab some decks.

A good job. And a good life. The Navy: It's a good deal.

Get all the facts. Talk to your local Navy recruiter. Or call us toll-free, anytime at **800-841-8000**.
