Last year we did not have a team at NPHS, because of the summer schedule in the Lumberjack Conference. This season was therefore a season of starting again for all the players on the team. The team was victorious over White Lake and Wabeno. They suffered losses to Crandon, Three Lakes, Phelps, Goodman, and Elcho. In the WIAA tournament, the Eagles lost to Oconto Falls. Jeff Lyons was named Team Captain and Barry Mess was selected as Most Valuable Player. The baseball team is looking forward to a more successful season in their second year of play.

Remember

Concentrating

Concentration - Definition: a directing of the attention or of the mental faculties toward a single object. **Application:** There were many things upon which one could concentrate at NPHS. Whether it was a science lab, physics assignment, or woods project in the academic area or in the extra-curricular world we had sports, dramatics, annual staff, HI-Times, Band, Cheerleading or Pom Pons. There was no excuse for being bored during our high school days; we had too much to concentrate on!

Clowning Around

Clowning around - Definition: to act out or perform in burlesque or farcical manner; to jest ridiculously. Application: Clowning around, also referred to as pecking off, acting as a space cadet or performing like coneheads was an integral part of life at NPHS. Somehow this behavior crept in to all activities: a mouse loose in the IMC? (must have been an accident); lunchroom happenings; the Homecoming Gong Show. Our clowning around will be remembered by all.

Remember The Seniors

Senior - Definition: more advanced in age or older in standing, superior in age or standing. **Application:** It was quite obvious throughout the school year that the Seniors were convinced this definition was written with the Class of 1978 in mind-if not in actions, then in attitude. They showed their leadership in all aspects of life at NPHS-from academics to athletics to extra-curricular activities.

Remember

Our Teachers

Teacher - Definition: one whose occupation is to instruct. **Application:** Our teachers devoted many hours to our instruction. Not only in the classroom but also for after school activities. Play practices, annual deadlines, & athletic practices required many extra hours of work.

Remember

A new system for picking the most spirited class was used this year. Points were given for class participation. After a week of close competition, the Sophomores ended up on top. The Seniors and Freshman tied for 2nd. And the Juniors brought up the rear. All the cheerleaders were involved in the pep rally. It was quite a sight. This must have really inspired the football team, because they went on to beat Hurley.

SENIORS

Seniors Plan For Future

The Seniors have completed four years at NPHS. The Homecoming activities started each year. They quickly learned about high school life. The first thing learned - They were not float builders, and the second - They could out-yell the other classes (and have continued to do so). Raising money was another problem. The Freshman bake sales became concession stands in later years. The event that they were especially proud of was the Junior Prom. The Class of 1978 was the first class to break even in a number of years. The Senior Year was the most hectic and likely to be remembered. Seniors were polled at the beginning of the year about what they would like to remember the most and, their future plans. These were some of their responses: the old school, when they turned eighteen, noon hours, the junior class trip, our athletic teams, hot dogs cooked over burners in Chemistry class, and the parties. The most popular school was UW-Eau Claire. Other schools chosen: Stout, Stevens Point, and Madison. Of the Seniors not planning to attend college: 30 chose technical schools, 20 to work, 20 to travel, and seven wanted to enlist in the armed forces. Most agreed ... it was truly a year to remember!

UNDERCLASSMEN

Juniors Plan For Final Year

The Class of '79 entered their Junior Year with lots of work ahead of them. They began by preparing for Homecoming. The officers organized the class, but to no avail, for the Juniors took last place in the spirit competition. But they have a chance to prove themselves again next year. Forty members of the class participated in a week-long trip to Washington D.C. and New York City. Mr. and Mrs. James Lyons and Mr. Robert Sutter served as chaperones. Despite the lack of sleep, all had a great time. Prom preparations were discussed all year. A prom committee was elected to make plans for the whole class. Money was the main consideration to be dealt with. A dance called "The Lunar Illusion" was the biggest project, along with the usual bake sales. Now, the Juniors can't wait to declare themselves "Seniors".

Hey, girls! Haven't you heard? '78 is the word!

The Sophomores, with the help of their officers, led the spirit competition during Homecoming week. Most of the winning points came from dressing up every day. They managed to edge the Seniors and Freshmen out. On Friday night they were announced the victors. Money raising ideas were learned from the upperclassmen. A number of caramel apple and bake sales, along with a few car washes, soon brought them out of debt. As sophomores, no big money raising projects were needed. They worked on their one-act play and supported the teams the rest of the year. If the spirit and enthusiasm can continue, the class of '80 will again be a contender for the spirit stick.

Reflections on Being a Freshman ... With a year behind us we have overcome many obstacles in the road to high school success. At the Homecoming Pep Rally we had it, but couldn't get it together enough to express it! Every class yelled, but us. By mid-year we could find our way around the school, without a map. Alphabetical lockers kept us in line. Money making projects became a way of life. Bake sales took top priority. All in all this year was well worth remembering. We are looking forward to next year as Sophomores!!

For Same Goal - Quality Education

The faculty strove to present the students with a solid but diversified education. New teachers brought new Ideas. A Drama Club was founded. They attended a drama workshop at the UW-Eau Claire and held a Sadie Hawkins extravaganza combined with a dance marathon. School spirit was boosted with a root beer drink-a-thon. Veteran teachers introduced new academic programs. Project Invest was offered to Seniors in the Business Education Dept. The Building Trades class finished the football press box. The English and Social Studies areas introduced new semester course offerings for upperclassmen. The shelves of the IMC began collecting books instead of dust.

NPHS Golf Team Is Conference Runner-Up

Despite their good record, the NPHS golfers succumbed to Ashland for the second year in a row and finished the season in second place. Mike Steiner helped the team's season average (171.9) with his average of 40.6, which also helped him win conference honors. The JV team was undefeated during the 1977 season, so our golfers are looking forward to an even better season next year.

NPBS Volleyball Girls Show Eagle Spirit

Even with a 5-5 varsity record, our girls continued to go into each contest fired up and ready for the match. This attitude must have helped because the win column of the score card looked better at the end of the season. With an 8-2 record, our JV gals gave us promise for even better things in 1978.

Varsity Football Improves Record

The varsity football team improved its ranking in the Lumberjack Conference during the 1977 season. With the help of the returning lettermen and some new recruits, they proved successful with their defensive strategy and offensive units. The team started the season with three straight victories; after several injuries and a few hard fought defeats, they ended the season with five wins and four losses. Several of the Eagles made all-conference honors: Scott Preisler, Larry Hillmann, Bill Sarkauskas, Terry Norton, Bob Kowalke, Stan Sarkauskas, Chuck Meyer, Mark Nagy, Glen Cinko, and Jake Sauvola.

Frosh Team Breaks Even

The Freshman team, under the direction of their coach, Mr. Mike Reimer, started the season with two losses. Gaining confidence and experience, they went on to a three game winning streak, leaving them with three wins and three losses overall. Hopefully, their teams will improve in the next three years of their high school careers.

We Are Number One

For the third year in a row, the Eagles took the conference title. The future did not look bright at the beginning of the season when the Eagles lost 3 of 4 games. Then things started to happen: the new members gained confidence; several injured players returned; and the Eagles wanted to win. The will to win and quite a bit of talent carried them through the rest of the season with a record of 14-3-1, losing only one conference game to Wausau East. Jim Burton and Jeff Wolfer were close contenders for the team's season high scoring record, followed closely by Craig Ludwig. Jim Burton was team captain and Jeff Wolfer & Craig Ludwig served as asst. captains. The Eagles were rated in the top ten high school teams in the state of Wisconsin during the entire season. The Eagles will lose only 2 Seniors through graduation and are hoping for the title again next year.

Eagle Wrestlers Give Their Best All Season Long

Even with a young team, the Northland Pines grapplers made their first mark in the Lumberjack Conference with a dual meet victory over Ashland. Mr. Greg Vetter worked with Head Coach Bill Rowden this year, as his Assistant Coach. Outstanding performances during the year came from Steve Hall, Dale Ayers, and John Breese. New recruits on the varsity team also helped put points on the Eagle side of the scoreboard.

John "Baby" Breese demonstrates his winning/pinning style. A first year wrestler, he is an inspiration to his team.

Girls' Basketball Team Finishes Season With Prestigious Record

The girls' basketball team was a contender for the conference championship until the end of the season. With several juniors and two freshmen on the varsity squad, they were at one point tied for first place with Ashland. They ended the season with a 6-2 conference record. The girls put in long hours of hard work developing plays and shooting. Cathy Maines, Tracy and Les Fletcher were often in the top 10% of the Lumberjack Conference with their shooting percentages. The experience gained should make next year even greater.

VARSITY BASKETBALL WORKS HARD

The boy's Varsity basketball team put in a long, hard season. With only three Seniors, the relatively young team put forth much effort. The Eagle's first conference win was against the Hurley Midgets in an overtime. The spirit seemed to continue with them as they defeated Phillips for their fifth win of the season. With so many returning players, the outlook for next year's team is promising.

Northland Pines band members were kept busy throughout the school year. The Christmas, Spring, and Pop Concerts required many hours of practice, as these were major events for the band. For individual achievement, band members could participate in the Solo and Ensemble Contest; outstanding performances could go on to the State Contest in the spring. The band also performed at most home sports events, Hallogras, Homecoming and marched in the Fourth of July and Memorial Day parades.

Practice makes perfect.
