The Class Of 1980 - We Made It

Together we've done it! The first four years at the new Northland Pines High School building were ours. We were the graduates who started the new decade in Style. As we reached the age of eighteen, we were able to express our opinions at the polls in the 1980 Presidential election and we were able to identify with other adults! Along with the fun aspects of being a Senior, we had to make some pretty important decisions about the paths we may choose to follow in our lives.

Our Classmate And Our Friend

Your memory will linger in our hearts as we live from day to day.

You were smiling and happy, and there to help; and we'll always remember you that way.

You'd gone through the good and the bad just the same, but your chin was always held high. Your memory is with us, as will always be; we won't just pass you by.

So to you we say "Thank You" for all you have given - for your friendship and love till the end. You will always be in our hearts, in your own special place.

We'll never forget you, our friend.

STUDENT LIFE

The **Seniors** were together for their four year high school career. A lively group, they plunged into all aspects of life at NPHS. The Class of 1980 made their presence known at athletic events and pep rallies. Full of enthusiasm, they won the Homecoming Spirit Week competition for three years. They also managed to get together after school and on week-ends for some extra-curricular activities.

Have you had your sprinkle today?

Senior night.

Me? Dishpan hands?

They call this news?

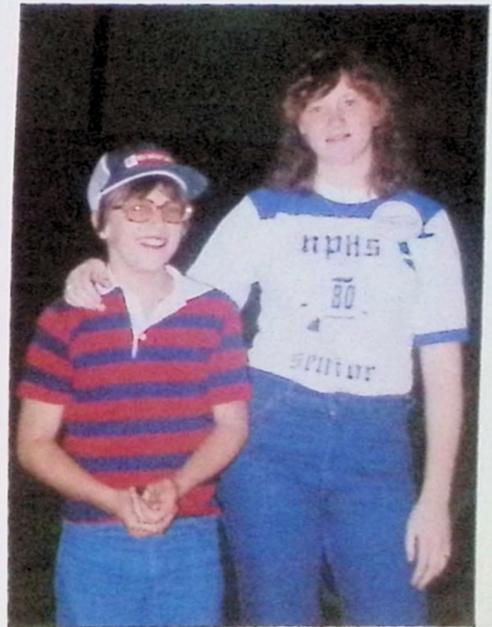

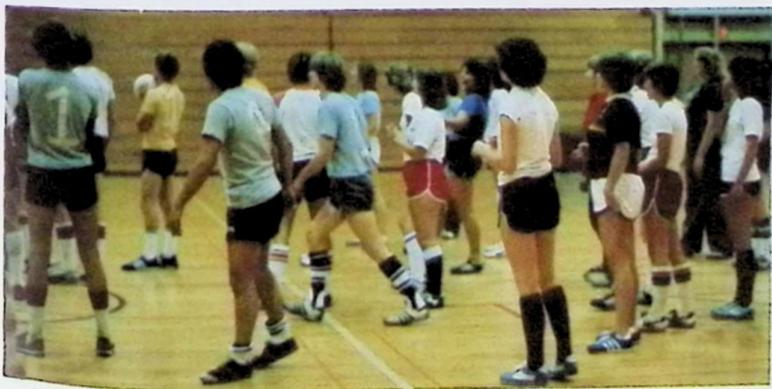

I dare you to take a picture!

(We took the dare)

Linda lends a helping hand.

Seniors are #1.

Being together is not a singular phrase. At NPHS, students were rarely alone. You could see them clustered in **groups** by lockers, in the cafeteria or in the IMC before school. Some groups of two (obviously members of the opposite sex) preferred to be alone together and they were oblivious to their surroundings. But the student handbook put limitations on their public display of endearment. Sometimes being together was not a very pleasant experience - if one was placed in the in-school suspension room (also known as the rubber room). However, in most cases, being together was enjoyable and provided the basis for many happy memories of our high school days.

Gee, your hair smells terrific

What did **Student Life** mean at Northland Pines during the 1979-80 school year? It meant getting together with friends in the halls, at lunchtime, play rehearsals, and athletics. The NPHS golf team went to the state tournament for the second year in a row and the girls volleyball team took the conference championship.

No matter what the activity . . . NPHS'ers were in it all together.

Our Lumberjack Conference and WIAA Sectional Champions.

Little Fath thinks he's big stuff.

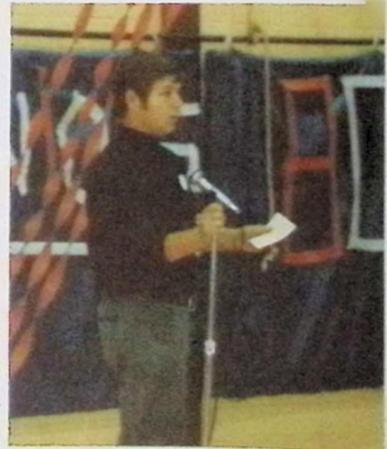

NPHS! Go! Go! Go! Go!

Juniors go Gonzo.

Get Psyched ... The Way to Win.

Calling the Troops.

Homecoming! The word itself suggested being together. Working on posters, pooling our funds to buy a much desired slave, yelling our lungs out during the class cheer at the Pep Rally and then sitting (or standing or jumping up and down) to watch our mighty Eagles defeat Phillips at the football game. We dressed up as greasers, little kids, space men and bearers of togas. We chewed bubble gum, ate pies and peeled bananas. The Seniors worked together and won Spirit Week competition, but the Juniors demonstrated their lung power and won the Spirit Stick at the pep rally on Friday afternoon.

In summary, Homecoming 1979 was three days of out of the ordinary activities that brought students and faculty members together for some memorable moments.

Claire's hot air benefits the Junior Class.

Some guys have it and some don't.

Why can't we be on the Pom Pon squad?

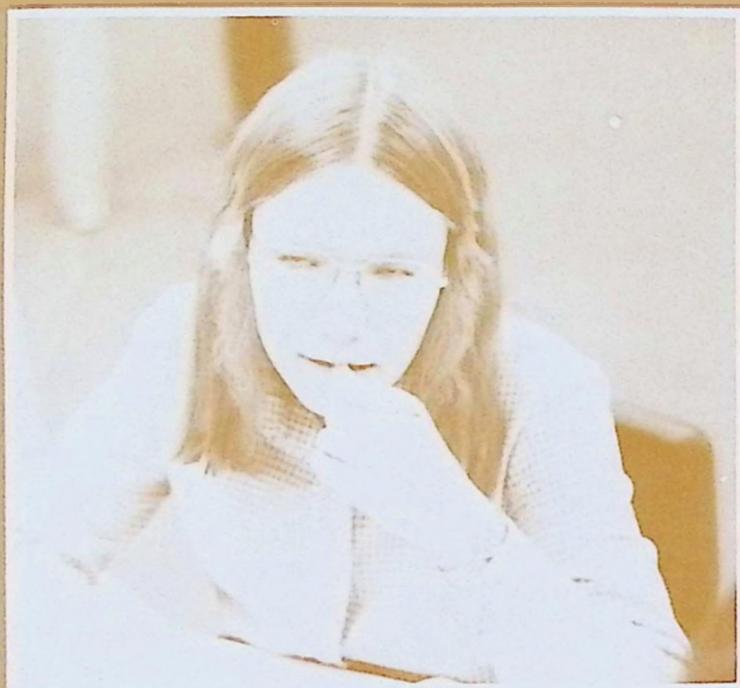

Kirt, give us a close-up smile!

We did burn those Phillips Loggers!

Shenanigans sometimes happened in the **classroom**. Like Lucy's nameplate being changed from "Girls are all mouth and no brains" to "Down with Sicilian male chauvinists". The students weren't the only ones getting into the act. The teachers had their game called "hall passes". These included: Mr. Bates' rifle, Mr. Pooley's canoe paddle, Mr. Reimer's desk top, Mr. C's graduate, and last but not least - Mr. Schaffer's moose hoof.

Having fun in school doesn't mean we don't learn anything. Classes such as Advanced English and Math and Physics prepared us for college life, while Home Economics, Building Trades and Project Invest readied us for the world of work. At the cultural end of the spectrum, we studied art, music, drama and foreign languages.

Pssst! What did you put for number three?

Teachers were brought together by many things: faculty meetings, committee work and the teacher prep room. They brought students together with athletic teams, forensics, plays and yearbook. They chaperoned dances and fan buses, supervised bake sales, Pom Pon practices and still managed to correct papers and do lesson plans. Despite a tight budget they provided a quality education to the students of Northland Pines.

Coffee, tea or me?

Be reasonable Marlee and do it my way!

Some people need more than one counselor.

Working hard or hardly working?
Looks like a cemetery.

I'll get you for that.

Would you believe the students at NPHS are going "straight" this year? Well they are: straight legs on their jeans, straight skirts, and straight cut dresses. This is the new "old" look. Take a look at the **fads and fashions** of the post-war years and then compare them with the catalog for fall fashions—they're alike, alot alike.

"Dressing up" seems to have made a comeback in recent years. You'd often find several people "dressed up" on any given day.

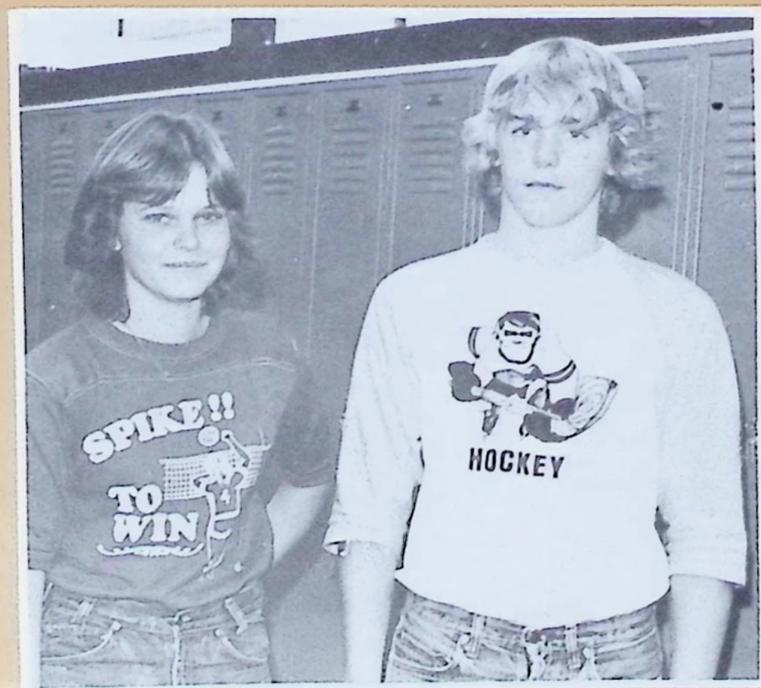

But, of course, the Jeans and flannel shirts will always be popular—not to mention comfortable—especially "cool" jeans.

Smile, you're on candid camera.

T-shirts express our preference.

Flannel shirts are always in.

The geographic size of our school district is one of the largest in the state of Wisconsin. Students were boarding the buses as early as 6:30 AM and **traveling** as far as 42 miles to school. With gasoline prices around a dollar a gallon, most students rode the bus. Those who drove were issued new rules: parking lot registration and waiting for the buses to leave before cars could depart. Sophomores studied the rules of the road and practiced driving in hopes of obtaining the freedom of their own driver's license. Weekends found students driving together to games, shopping, and other social events.

GOLF TEAM Front: Rich Schlegel, Rick Freund, Greg Bybee, Jerry Collins, Bryan Welch. **Back:** John Knaut, Greg Renk, Curt Weinetz, Todd Siegmeier, Dennis Meadows, Mike Mittel, Coach Ken Check.

Once again the Northland Pines golf team was a group to be proud of. In the final standings, our Eagles were Conference Champions. Their season average was 172.1. Rick Freund, Jerry Collins and Dennis Meadows earned All-Conference Medalist Points. The efforts of the team helped them qualify for the second year in a row for the State Golf Tournament at Green Lake, here they earned a seventh place. Jerry Collins was selected as the MVP and Dennis Meadows was named as team captain. In all the varsity matches (including tournaments and invitations) the NPHS golfers beat 42 teams and only 10 teams defeated them. The JV team did not have as many opportunities to play during this season, because not very many schools have a JV squad.

Under a new coach, Mr. Fred O'Keefe and his assistants Dan Kauzlaric and Tom Kirby, the wrestlers greatly improved their individual performances. At the conference meet, Tony Osiecki placed 3rd in the 155 pound weight class. Serious injuries and illness affected the close outcome of many matches. Despite these problems, their spirit and determination kept the team going. At the end of the season, Tony Osiecki was elected MVP, John DeLoye was named MIP and Greg Renk was selected as team captain.

Girls Basketball Stars Take

GIRLS VARSITY BASKETBALL TEAM **Front Row:** Karen Schmitt, Debbie Wagner, Marita Kukanich, Polly Hansen, Kara Zartner. **Back Row:** Ann Goldsworthy, Les Fletcher, Marlee Ludwig, Linda Riedel, Coach Tom Druschke, Jodi King, Deb Kastner, Karin Ludwig, Charisse Rozga.

The girls basketball team had an outstanding year, finishing with a 22-2 record. Not content to win just the conference championship, the regional championship, and the sectional championship, these ladies went on to Madison. There, they represented NPHS at State and became the only team in the school's history to play in a state championship game. They defeated McFarland in the semifinal game with a thrilling 42-40 victory. Our Eagles were defeated by Cuba City in the championship game, but bringing home the State Runner-Up Trophy made our team, Coach Druschke and the spectators mighty proud.

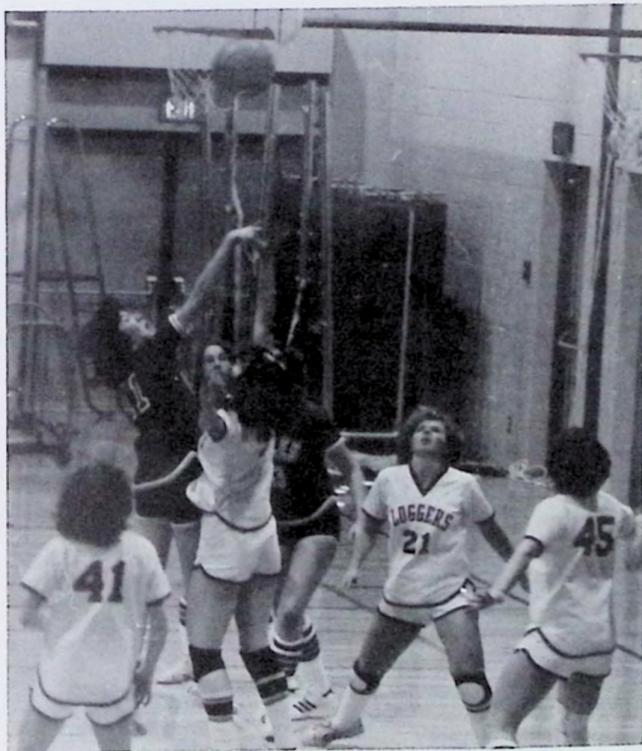

The race is on.

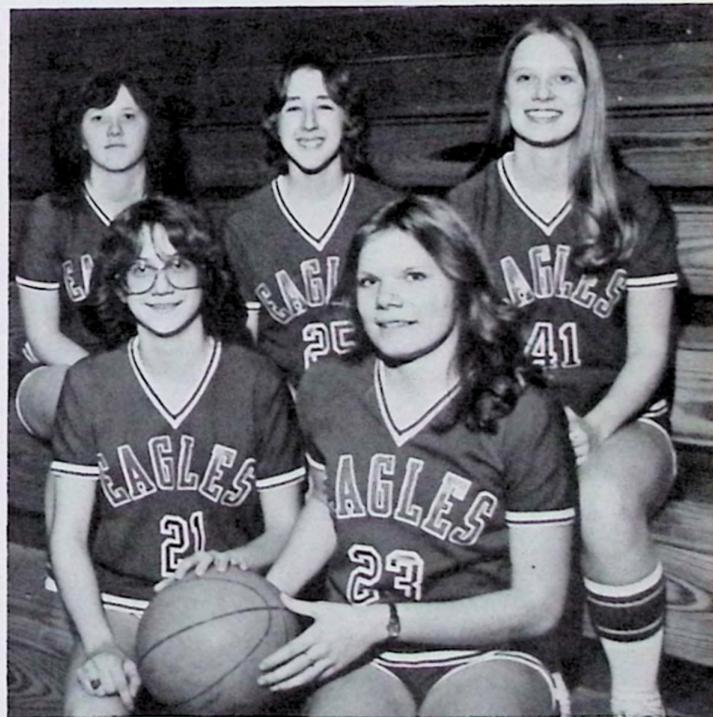

Second At State Tournament

SENIORS **Front Row:** Charisse Rozga, Debbie Kastner. **Back Row:** Linda Riedel, Karen Schmitt, Marlee Ludwig.

Boys Basketball-

VARSIY BASKETBALL TEAM **Front Row:** Coach Nick Killinger, Doug Thoren, Marty Pietila, Dan Kroggel, Bill Beer. **Middle Row:** Tim Craig, Dan Knitt, Mike Mittel, Bob Leach. **Back Row:** Todd Prange, Ron Kubiacyk, Jay Killinger.

Exciting would be the best adjective to describe the boys basketball team in 1979-80. Starting the season with new coaches, the roundball stars charged into the Lumberjack Conference. The varsity season record did not really show the caliber of basketball that was played. Many games were lost by just a couple points. The most thrilling victory was their defeat over Tomahawk, the conference leaders. Dan Kroggel was elected as MVP, Rick Freund and Marty Pietila shared the Captain's Award and Ron Kubiacyk was named as Most Improved Player.

The JV's worked hard to improve their skills and strove for a position on the varsity squad. The Class of 1983 team compiled the most successful record for a freshman squad since NPHS joined the Lumberjack Conference.

Get over there!

A New Coach, A New Season

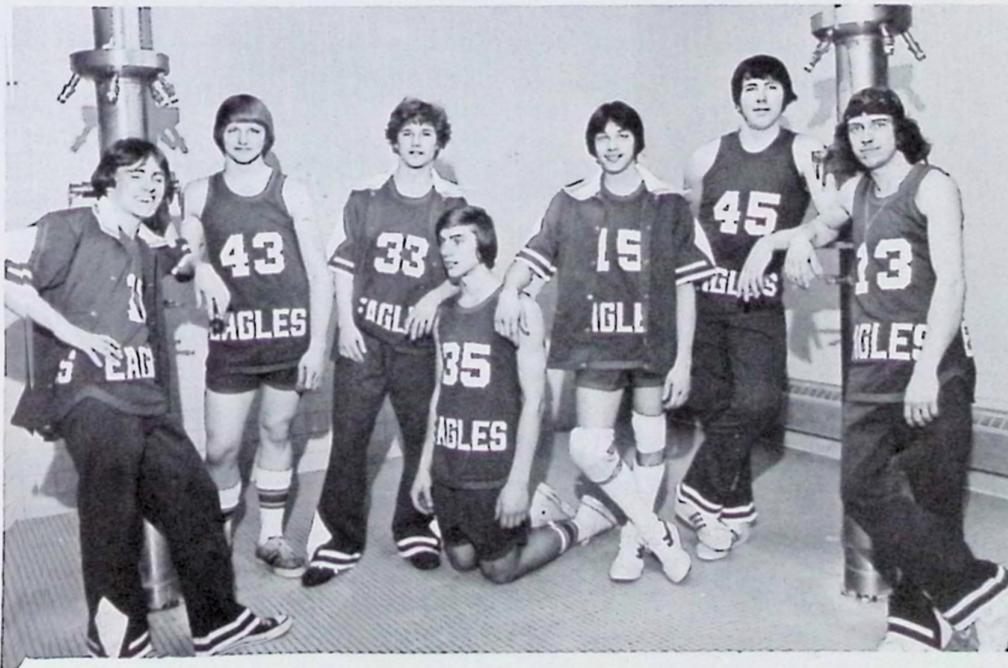

Jump, jump sky high.

Come on Ref!

The victory's in the basket.

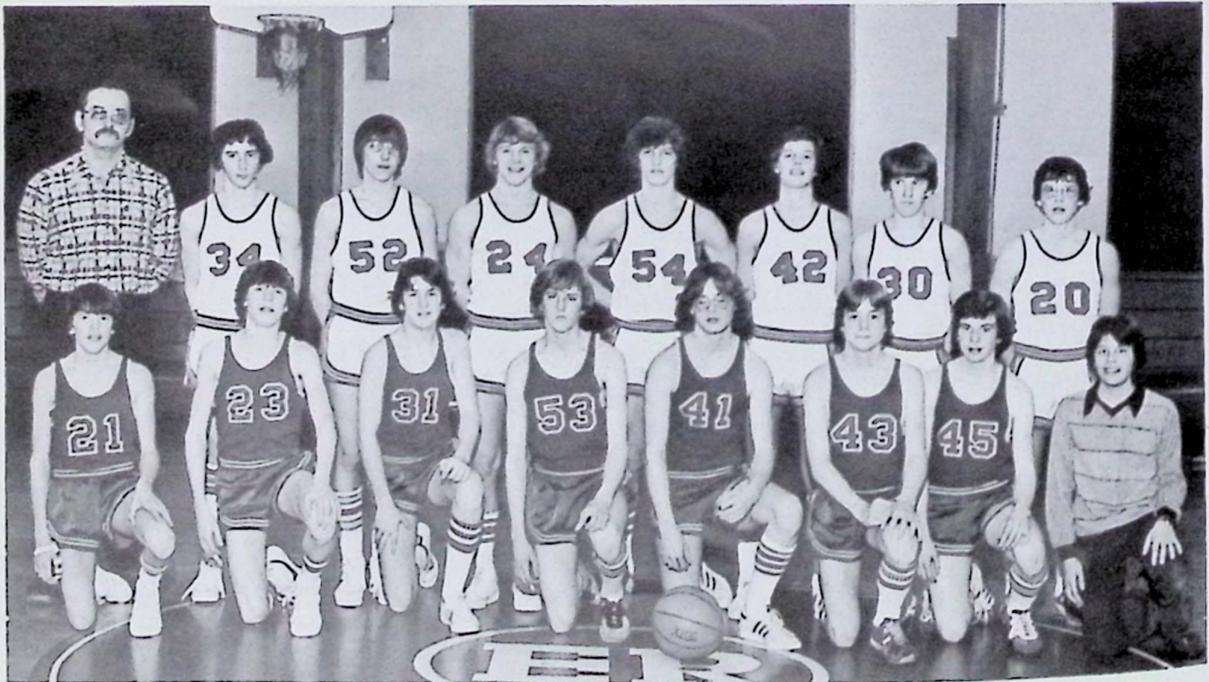

SENIORS Mike Mittel, Marty Pietlla, Tim Craig, Dan Kroggel, Bob Leach, Doug Thoren, Rick Freund.

Back Row: Kevin Nelson, Kent Elliott, Jay Duening, Tim O'Brien, Joe Placek.

The 1979-80 hockey squad kept their fans on the edge of their seats. Disregarding the general consensus that this was to be a rebuilding year, the Eagles skated their way to a conference championship. Injuries and suspensions didn't stop those dedicated hockey players who wanted to continue their winning ways. When the teams were introduced at the State Tournament in Madison, the Northland Pines Eagles were among them. Despite their fourth place finish, they represented their team well. Mike Stoskopf was elected as MVP, Greg Doyle was chosen MIP, Jon Smith won the Captain's Award. Jeff and Mike Stoskopf were named as All Conference First Team forwards, Tim McCormick was named as First Team defenseman and Jon Smith was named as Second Team goalie. Mike Stoskopf was also selected as the Conference MVP.

Study those lines!

Twenty-seven students competed in **Forensics** this year. Several weeks of practice went in to each performance. There were seven categories of speech and acting competition: declamation, prose, play-acting, four minute speech, poetry, interpreter's theatre, storytelling and oratory. The local contest was held in early February. Those students who received "A" ratings went on to compete in Laona, Stevens Point and hopefully, the State Forensics Contest in Madison.

Practice makes perfect.

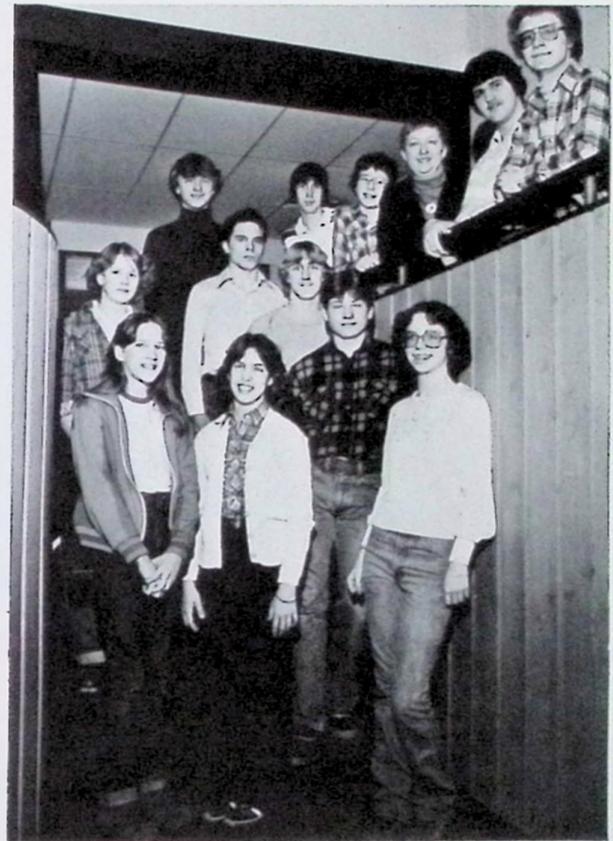

Loved To Talk

Radio Club was heard here at NPHS and on the air. Daily announcements were read over the PA system at 8:20 AM by club members. "The In Speaks Out" was heard every week on WERL radio. Information about the happenings at school (both academic and extra-curricular), along with popular music, was included in each program.

Getting away from the academic areas of the language, **French Club** enjoyed the cultural aspects of French. Some of the members traveled to Bemidji, Minnesota for a week-end of submersion in the French language at Concordia Language Village. All members were involved in the planning, preparation and consumption of the annual French Dinner.

Extra Activities Gave

The composition of the **Student Council** changed during this school year. In addition to the two members from each class, three officers were elected. Kara Zartner was the Council's representative at all School Board meetings. The goal of Student Council was to give students some input in decisions made for the high school by the administration.

What other group spends countless hours of practice to give a three-minute performance? You're right, the **Pom Pon Girls!** They danced at home basketball and football games and pep rallies. The squad even danced their way to Eau Claire for competition and a workshop. In order to pay for the workshop, they raised money by having bake sales and singing valentines. After a year of hard work, they spent some of their hard earned money at their Spring Banquet.

Us No Time For Spare Time

Guest speaker Lloyd Kincaid highlighted the January Induction Ceremony of the **National Honor Society**. Eight Seniors and fourteen Juniors joined the Society in 1980. Besides their academic endeavors, NHS was involved in lots of community service projects. They served meals for the EMT Seminar and the Teacher In-Service Day for Three Lakes and Eagle River faculty members. Someone had to clean up after the fun and festivities of Snowmobile Derby Weekend and the Honor Society was there helping to pitch in the litter. This group proved that character, leadership, scholarship and service were all integral parts of a National Honor Society membership.

Ski Club - Sanity Disappears

Only a dedicated **Ski Club** member would arise at 5:59 AM on Saturday to listen for the temperature reading on WERL radio. Anything above -20 degrees and the trip was on. With eyes barely open, they boarded the bus at the Information Centers and headed for the waiting slopes, with Advisor Ken Check in charge. Big Snow Country (Indianhead, Blackjack, Whitecap, Powderhorn and the Porcupines) had enticed them.

During the course of the season, at least one Mat Maid was present at every meet to take statistics and if time permitted to cheer the wrestlers on.

The newest club at NPHS, **Gymnastics**, continued to grow in its second year. Meeting on Tuesdays, Thursdays, or Saturdays, the group worked on the uneven bars, parallel bars, tumbling mats, and balance beam. The team did not compete with other schools, but enjoyed improving their skills for their own personal satisfaction.

Hi-Times And Greggsters

The **Hi-Times** provides a forum for students opinion. It covers general school news, clubs and organizations. Assignments were given out at Tuesday meetings. Copy was handed in on Thursday, typed, and taken to the News Review Friday afternoon. The Hi-Times page is pasted up on Monday after school by Mr. Pooley or Cathy Cooper. During the 2nd quarter the Journalism class did all the work that the staff usually does.

The **Greggsters**, also known as the Shorthand II Class, showed their school spirit at each home athletic event. They prepared the programs and sold ads to help pay for the cost of the materials used. The money earned also helped pay for the Greggsters Employers Insurance Field Trip to Wausau.

They were also messengers and contacted students and teachers for the office. These girls donated their study hall time to be a service to NPHS.

DECA (Distributive Education Clubs of America) is a club where members learn more about marketing and different occupations in the business world. They attended leadership labs, workshops, and went in to actual competition with students from other high schools. The "School Store" is a new development for the club. Here, students at NPHS could buy school supplies before and after school in the Distributive Education room. Gary Burton is the faculty advisor for DECA.

NPHS Troupers Perform

Early in November the curtain went up on the **One Act Plays**. With just three weeks of rehearsals, our NPHS thespians were dramatic successes. The Seniors (now veterans of the stage) presented the play "Father Knows Best" and two sketches "The Flower" and "The Unicorn". Mr. Will Pooley was their director. The Class of 1981 enacted "Werewolf". They were directed by Miss Jean Neumann, who also directed the Sophomore play "Conspiracy of Angels". The Freshman class made their stage debut with "Bargains in Haircuts". Mrs. Clarice Seifert was the faculty director. Mike Krein worked with the lights for the Freshman, Sophomore and Junior plays. The efforts of these performers were appreciated by large audiences during both evening productions.

The NPHS Band Put It Together

The **Northland Pines Concert and Marching Band** kept busy in 1979-80. The fall of the year found them practicing for the Homecoming halftime performance. When the snow began to fall, the sounds of Christmas songs drifted through the hallways, along with the sales pitches for oranges and grapefruit. Solo and Ensemble and Group Competition in the spring kept many band members working in the practice rooms. The Band Boosters were busy earning money for activities and trips that would benefit band members.

We Put It

Starting off with an August planning session at the UW-Stevens Point, the **Yearbook** staff organized and outlined the 1980 Northern Trail. They began the year with high hopes of meeting every deadline with perfect pictures and lively copy. As the old saying goes "The best laid plans" Suddenly we needed ANY pictures and we were ready to copy lines out of an encyclopedia to fill space. Some White Knights saved us in the darkroom and someone (no names mentioned) took pen in hand to write copy. Somehow, out of all those long hours in the Publication Room, from chaos, the yearbook came into being. Sit down (alone or together with a friend) and enjoy a look at NPHS in 1979-1980.
