OUR PLACE IN THE SUN

STUDENT LIFE

Beginning A New Day

Fun Time At NPHS

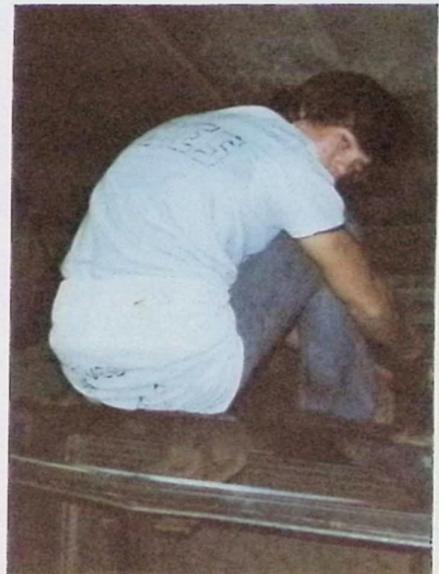

Dan - you need all the help you can get!!

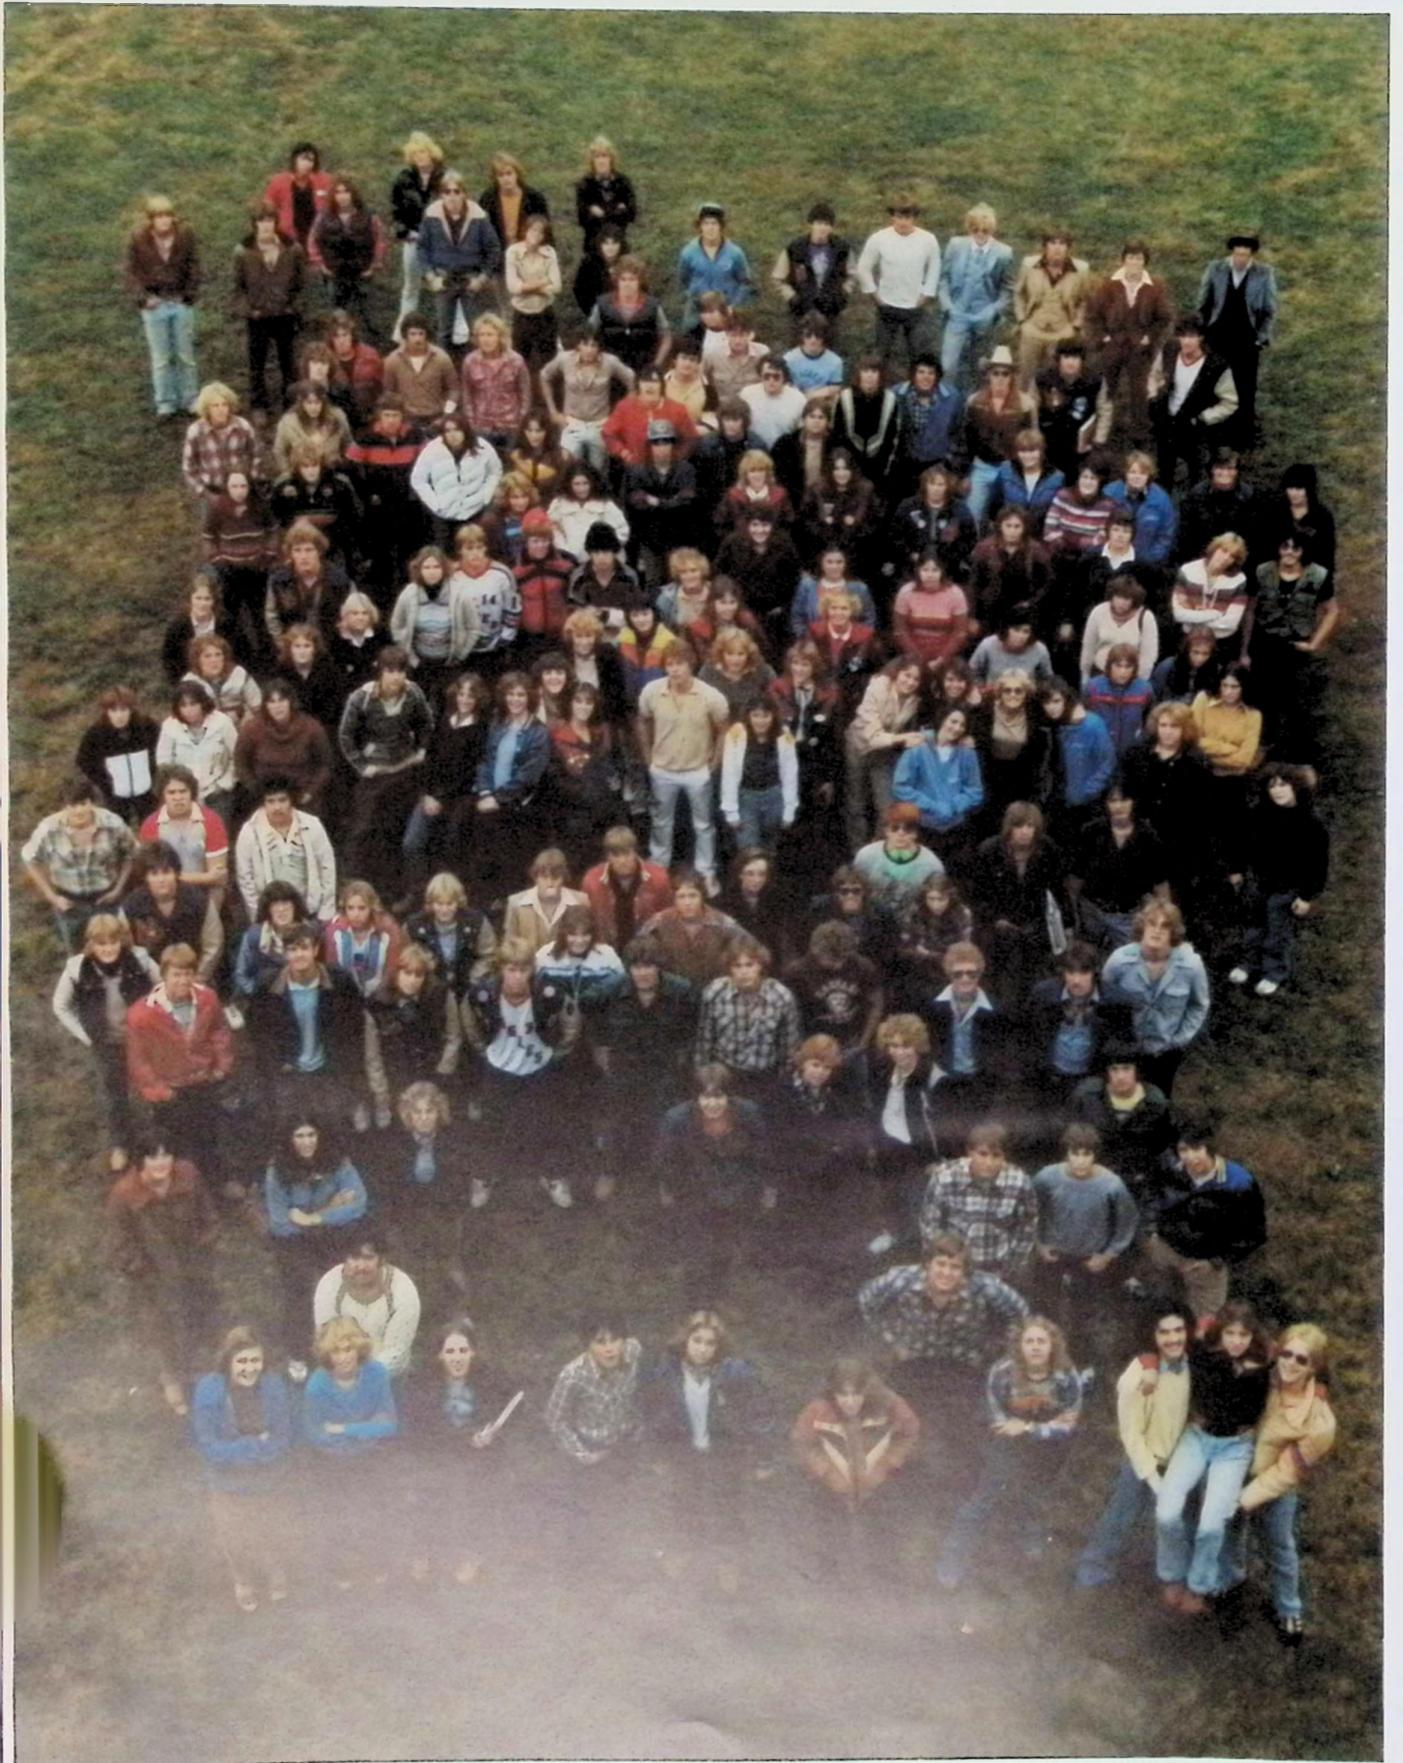

Look Mal No hands!

The power of WOMEN today!!

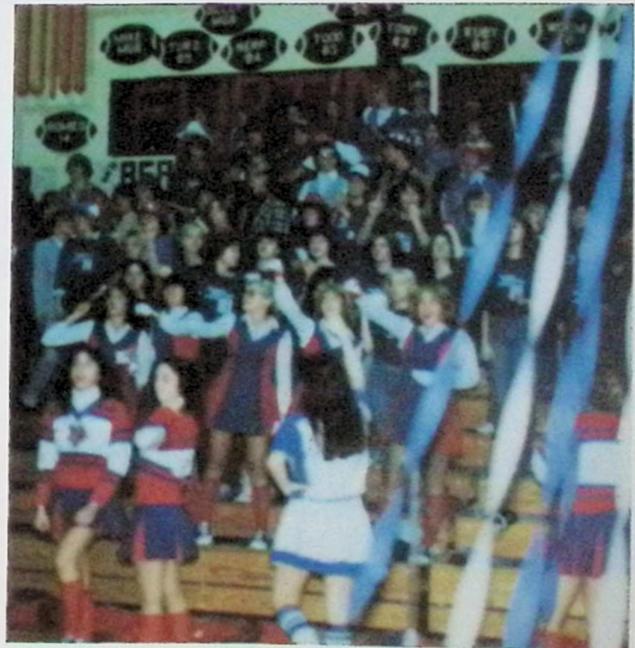

Can I come out of the corner yet?

Yes, we are the **SENIORS!** Our year to "reign" at NPHS has finally come. The class of '81 has spent four years at NPHS, all of which were accented by athletics, band, academics, and parties. Our T-shirts say it all! This year has been accented by the excitement of Senior Pictures, Homecoming, turning 18, and, of course, the anticipation of graduation. Each year had highlights. The big green "FROSH" poster at our first Homecoming, and as Sophomores, U. S. History, Biology, Driver's Ed., and acquiring our licenses. As Juniors 66 students toured New York & Washington D. C., and a large amount of work was put into making the Junior Prom a success! At last we are **SENIORS!** And admittedly the past four years were great. Now is the time for each of us to go as individuals and fill our places under the sun.

Other Activities Keep Eagles Busy

In the corner of the gym was often heard the banging of missed Volley Balls as the Eagles warmed up or played.

Coach Meyer strived to make this years' team the best they could be. We are proud of our girls.

With everybody starting out new at this, the yearbook staff did a great job putting together the 1981 **Northern Trail**. We began the year with enthusiasm and vigor for the work laid out ahead of us, hoping to complete our new plans and meet all our deadlines. In September, many of these plans were changed when part of the staff went to a planning workshop at UW-Stevens Point. Getting our new ideas together, we tackled the layout, copy, and pictures . . . needless to say, there were a lot of setbacks, trials, and errors, but somehow we managed to come through the long hours of work with this year's yearbook. We sure hope you take plenty of time to relax and enjoy the events of the past year.

NHS Rewards In Scholarship

National Honor Society, advised by Will Pooley of the English Department, began activities with the Induction Ceremony. Dr. C.Y. Allen, Chairman of Oral Communications Department at UW-Stevens Point, was the guest speaker at the Ceremony on September 30. Seventeen juniors and six seniors took their pledge to maintain Scholarship, Leadership, Service, Character, and to continue the eternal search for knowledge. Besides their academic achievements the members work at the EMT Seminar, Lutheran Dinner, Snowmobile Derby and sponsors the annual Bike-a-thon. The National Honor Society motto is "Noblesse Oblige", and must be abided by all the member. In English this means that it is the obligation of the members to act in an honorable, generous, and responsible manner.

Hi Times Keeps Us In Print

The **Hi-Times**, ending its 57th year in publication, is covering the school and sports events better than ever. The 1980-81 school year is the first year the Hi-Times is a scheduled class. The class is composed of 14 students, and the students all work very hard to get the best possible story to Mr. Pooley, class advisor, before all deadlines.

Student Council has been involved in many activities this year. Two students from each class are chosen to serve on Student Council. Members sponsored dances and were co-chairman for homecoming. A new trophy case was built in the school foyer and Student Council contributed to the construction cost. Officers included Kelly Kazda-President, Carrie Christian-Vice-President, and Claire McKeever-Secretary-Treasurer.

Students Gain Experience

The **Radio Club** is fortunate to have hands-on experience at the radio station WERL in Eagle River. The Radio Club consists of ten students and Mr. Tiplady as the advisor. Ninety-nine percent of the station is student operated and Mr. Tiplady only offers help when needed. The students strive for quality and proficiency. Activities include presenting editorials, school news, student views, and special Thanksgiving, Christmas, and Easter programs. This experience enables members to obtain valuable radio skills that can be utilized to future career plans.

NPHS Classes Show

This year in November, One Act Plays had fine performances from each class. The Freshman class, directed by Mrs. Seifert, presented "Charge it Please" and the Sophomores, directed by Mr. Jim Tiplady, presented "Livin' de life." The underclassmen did a great job. Ms. Jean Neuman and Mr. Will Pooley directed the Junior and Senior plays. The juniors presented "The Induction" and seniors acted sketches from "A Thurber Carnival." NPHS really showed their talents.

Pines Vocalists Really

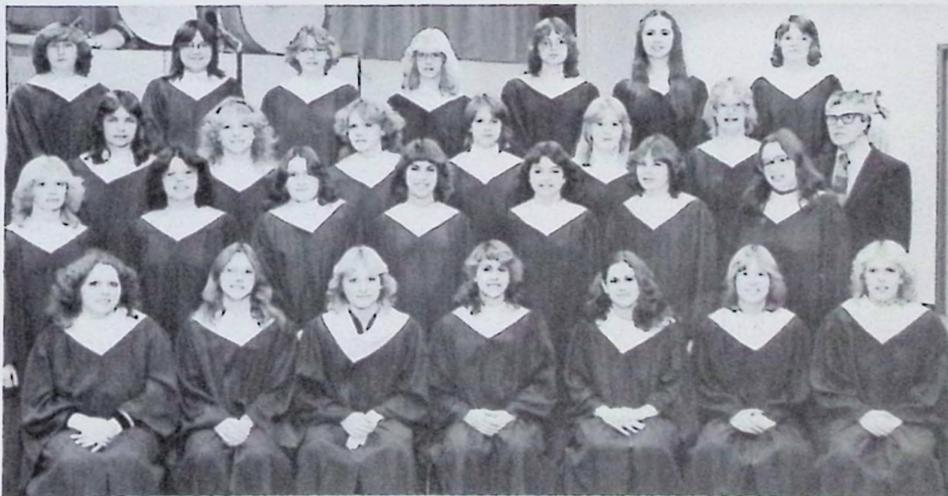

The Concert Choir and Girls Glee Club were the two performing choral groups at NPHS. Many hours of practice are necessary to make the Christmas, Pop and Spring Concerts possible. This involves singing Christmas songs before Halloween and a large amount of memorization on the part of each individual choir member. In addition to the concerts, choral members are also busy preparing solo's and ensembles for the District, and with luck and enough talent, the class "A" solo's and ensembles may go to state contests held this year at UW-Stevens Point.

WOW! Even lefties can concentrate.

For Possible Professions

This organization is a business oriented club. **Distributed Education Clubs of America** helps students to be more aware of the outside business world. Club members attended workshops during the year for a better understanding of business. Members also participated in many money-making projects including spaghetti dinners, bake sales, and selling of stuffed animals.

Winter Frolic

And Fun

Ski Club started out with a "Bang" this year. Over 100 students signed up anticipating beautiful fun-filled weekend trips to various ski hills in the area. Plans seemed to halt for many different reasons. Old man weather did not agree with students dreams. There was not much snow until late January and economically some students just could not afford it. Mr. Ken Check, advisor, hopes for a better year during 1981-82 school year.

Student Interests

Here And Abroad

French Club has been very active this year. Under the direction of Ms. Jean Neuman, the club was fortunate to have the opportunity to spend a weekend at Camp Lac du Bois in Minnesota. Students studied different aspects of French culture and spoke French during most of the weekend. Open house was held in January and NPHS students were able to observe classes. In the spring there will be a French dinner for parents of French students.

So this is French cooking!!

The **German Club** made it known this year that they're alive. A volleyball match between the German and French Clubs showed much enthusiasm among the two nationalities. Meetings were held before school to discuss money making projects for those who attended the German Camp. The students experienced and learned much about the German language and at the same time had a lot of fun.

Enthusiastic Eagles Excite

Pep Club cheers our Eagle teams on, even when the outlook is dim. This group is responsible for keeping the Eagle enthusiasm going strong. Their activities also include selling yell-o-phones, keychains and carnations for Valentines Day. This helped to cover costs of poster material and to pay for their sweaters. Their efforts may seem to be unappreciated, but they are a group of people that would really be missed by fans, players, and the entire school at our games. Wins or losses, Pep Club spirit shines through like the sun on a rainy day.

Student Services Valuable

The Library Aids and Attendance Girls help keep the school in order. The Attendance Girls keep track of the absences every hour and make sure they are recorded. These students are very valuable to the smooth running of our school.

Create The Grand Illusion

The **Gymnastics Club** at NPHS is open to all ages, from 6 years and on up. The members do not compete, but all are involved in a show in the spring. Solo routines as well as skits and bar routines are included in the show.

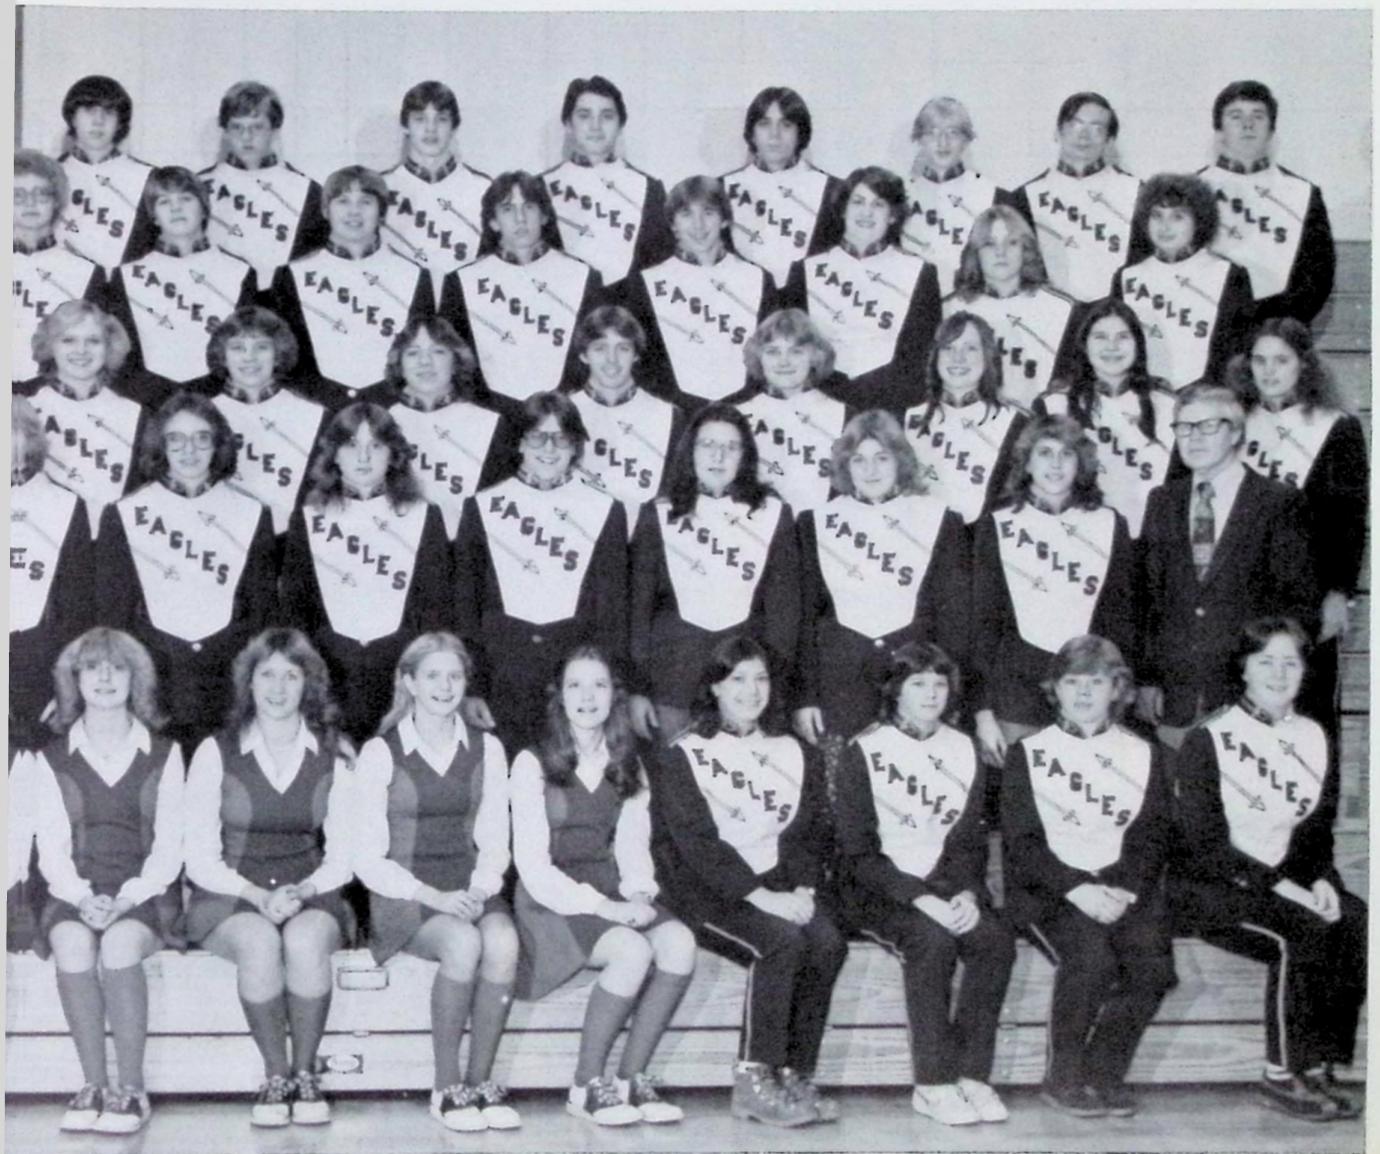

Music Soars Through

The Pep, Marching, and Concert Band at NPHS, conducted by Mr. Dave Anderson, played thru another long season. Performances began with a football game during the first week of school and before long the Homecoming activities with pre-game half-time shows. The football season ends as the snow is beginning to fly, and now the sounds of Christmas fill the halls, along with sales pitches for citrus fruits. The winter season finds band members still busy. You will find them practicing for solo and ensemble contests, festivals, and pep and spring concerts. They also try to get to the home games, cheering our Eagles to their victories. Even after contests and winter sports activities come to a finish, the band is still going strong, practicing for graduation and marching in the Fourth of July parade. All year the bands of NPHS fill our place under the sun with music and laughter.

NPHS Golfers, coached by Ken Check of the Business Education Department, were at it again this year with good results. This was the first year that a woman, Kelly O'Brien, joined the team. The team's season average was great-174.4 overall. Jerry Collins and Bryan Welch, the first golf team, made the all-conference team and Scott Carter and Todd Siegmeier, the second team, also made all-conference. Again at the state golf tournament, our golfers earned seventh place. Jerry Collins was selected as Most Valuable Player, and also Captain Bryan Welch was selected as Most Improved Player. In varsity matches, the Eagles beat 20 teams and lost only to 11 teams in all matches. There was J.V. action on the greens too. The J.V. record was 6-1, only losing to Lakeland at Timber Ridge. Our golfers placed high in sports action for our place in the sun. Way to go guys and Kelly.

The **Cheerleaders** brought enthusiasm and spirit to sports' participants all year long. Memories include those soggy and cold football games, warm and sticky basketball games, frigid cold hockey nights, and lets not forget those long and sleepy bus rides. No storms, wind or weather stopped our girls from cheering for our eagles. The **Pom-Pon** squad surely was first-rate entertainment at our half-time shows. Through long hours of practice, mistakes and "let's try it again," our pom-pom squad brought dancing enjoyment to most of our sport events.

As 1980-81 will shortly set in the horizon forever, we are influenced to think rather sentimentally of the events, places and actions of the past year ... of those before and the curiosity of what the future may hold for us.

We cannot foretell the future, but we can surely remember the past year which we shared together at NPHS. Your friends, teachers, homecoming, prom, graduation and other events are all a part of you and your past.

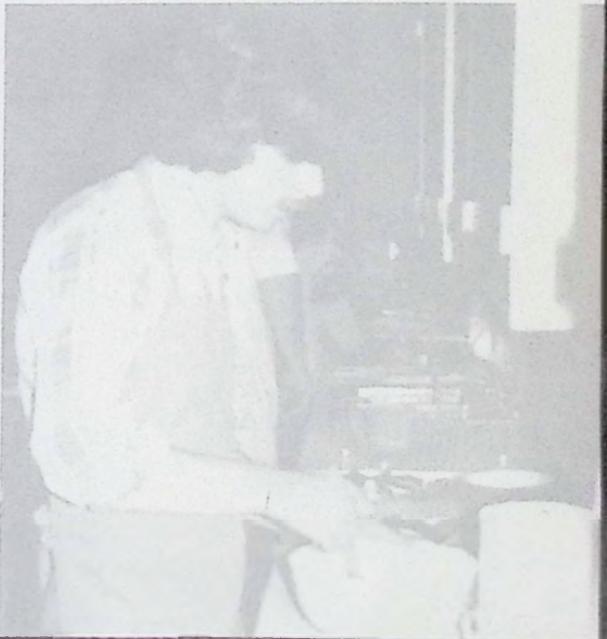

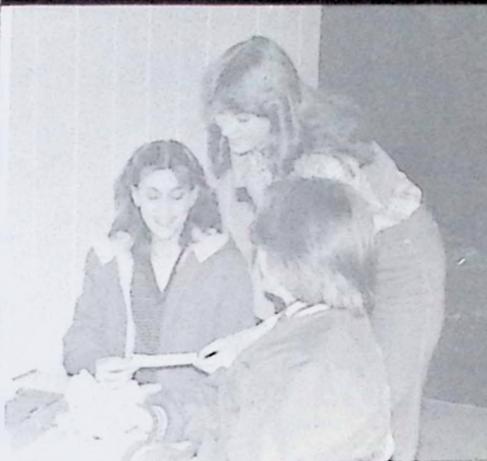

As Seniors, we would like to bid a farewell to those who will follow us. For our place in the sun will no longer be at NPHS, but in the outside world ... whether it be still in Wisconsin's Northwoods or in an urban area ... whether it be college, a technical school, one of the armed forces or a job. However, our voices will still linger in the halls and classrooms and our memories will remain forever with us of our high school days.

The Annual Staff and I would especially like to extend our thanks and appreciation to a special teacher, advisor and friend ... Mrs. JoAnne Hatch. For without her time, patience and efforts, this yearbook would not have been as you have seen it. Thank you again, Mrs. Hatch!

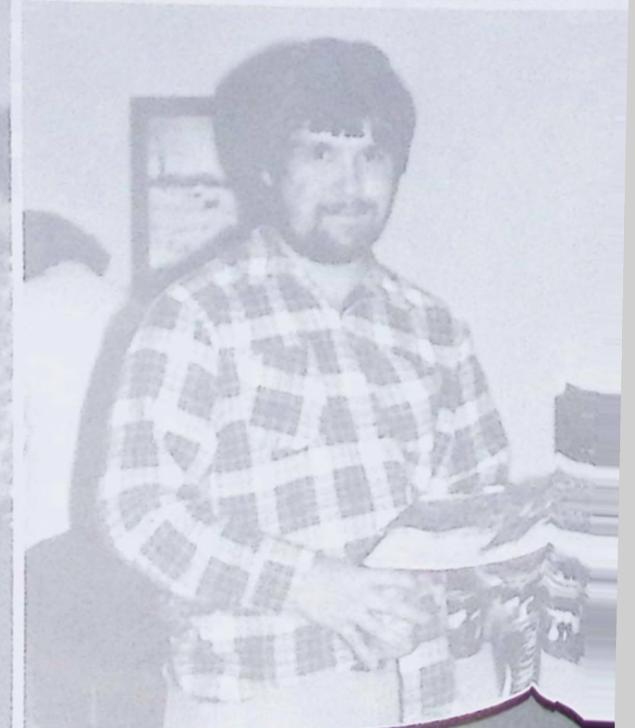

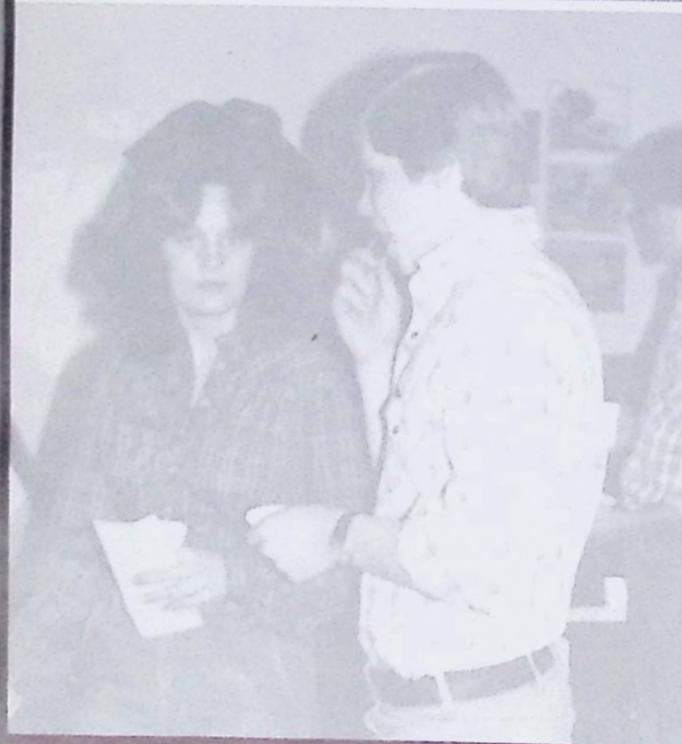

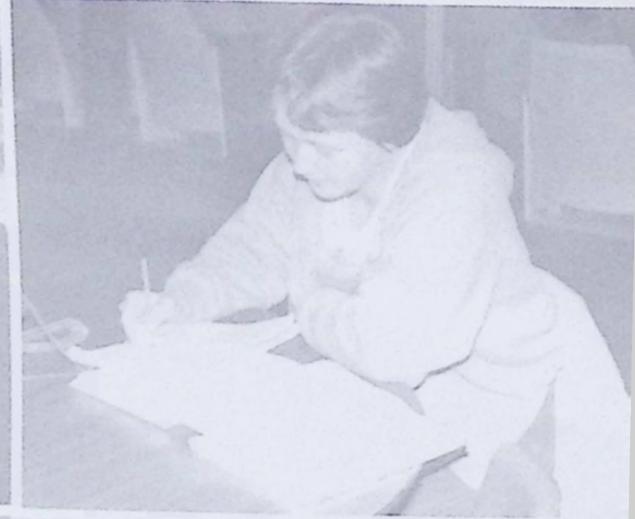

I hope that the Northern Trail has captured the memories of 1980-81 at NPHS for you - for a lifetime in the sun.
