# Dedication

*Mrs. Mayo*

When we think of Mrs. Mayo—when we shall look back on the "Mom" of Eagle High—what is it that we shall remember? Surely, we shall remember that it was she who so splendidly satisfied a hundred and some hearty appetites every noon, but I doubt that this is what will stand uppermost in our memory.

She's given us a way of life; a spirit we should catch and possess. She's been a driving power to those of us fighting for our school on the gridiron, the basketball court, the ice and the diamond. She's reached out beyond her own sons and daughters, opening her heart to every mother's son and daughter.

It seems only right that we should somehow try to say thank you to a person who in a million little ways has come to capture so big a portion of our hearts.

Yes, "Mom", it is to you that we dedicate this annual—this lasting memorial of our days in ERHS; to you, who has played such an important part in our years here.

## Class History

On September 5, 1945, 74 very "green" Freshmen entered the halls of Eagle River High School. Mr. Roger Dennis was our class advisor. To make us real Eagle High School students they initiated us in the latter part of September. Marjorie Miller was chosen our Homecoming Queen Candidate.

The next fall 65 Sophomores re-entered ERHS. Having left our greenness behind we were ready to initiate the incoming Freshmen. Miss Giles was our class advisor. A newcomer, Donna Nagel, was elected as our Homecoming Queen Candidate.

Our Junior year, the best of all, was climaxed by the Junior Prom in May. We chose a ship deck for our theme and "Now Is The Hour" for the theme song. Barry Ewald and Angie Brooker reigned as King and Queen. Our class play, "Fixit Incorporated", was a great success under the direction of Mrs. Seifert our class advisor. For Homecoming Queen candidate we chose Angie Brooker.

At last we are Seniors, and have reached the goal for which we have been striving. The way has been rocky as well as eventful but 59 of us have walked to the end of this happy road together. Under the direction of Miss Austin, our class advisor, we were able to present the very successful class play, "Don't Take My Penny". Our candidate, Mary Lou Chart reigned as Queen of the Homecoming Dance. Commencement on May 27 will close the doors on four years of fun, friendship, and success but it will not shut out the memories of happy times and friends we had at Eagle High.

## Class Prophecy

After a great deal of probing around and generally questioning the individuals that make up the senior class the following piece of literary genius was composed and with the least amount of fiction and a crystal ball nearby, here we go! The title of the worst basketball coach in history at Podunk U. goes without doubt to the former ERHS star, FERRY EWALD. The now balding young man (he tears out all his hair) is enjoying his position to the utmost. The top hard liquor joint in the country has for its proprietor none other than LEON ZARUBA, who is now making millions by adding 50% water to each bottle. The best bartender in this roadhouse is DICK LANTZ who can really mix 'em. Another addition to the tipsy duo is husky HERP LINDSTROM, the brawny bouncer. Every time we turn on the radio we get the caustic remarks of ROSS ELLIOTT and his dry anecdotes on sports. Only once a week does he attempt to broadcast a game and that is when he can brag about that great Chicago Blackhawk goalie, DOUGLAS ELLERMAN. BILL SPARKS is running his own gold mine in Alaska and at last report was making oodles of money. Seems he induced all the Eskimo women to work for nothing and it pays off plenty. LOUIS PAULMAN is his chief manager. ORLENE KRINGEL and VIRGINIA TURNQUIST are married and living in Canada. They live next to the Montreal Forum so as to be near their husband's work. MARKIE RODERICK is still in Florida but this time she is getting more than sunshine. What a remarkable place for a honeymoon and look at that blushing young bride and groom from Eagle River, MARCIA ZIMPELMANN and hubby. The top dude ranch in the Southwest is capably run by ED NUMRICH and his top rider is GENE STEIN who laughs the broncos into tameness and then rides on. ALLEN MEYERS runs the top garage in the north country and you can get anything from a grease job to a manicure at his plush establishment. The top man in the ancient car business is SHELDON BURNETT and right around you will find his trusty mechanic, CARL ANDERSON. They are up in the job and all of their gas comes from GORDON LONG'S filling station. They claim the gas is jet-propelled and this is mainly on the efforts of TERRY FRYKHOLM, the great chemist. The top artist for Esquire is MARY LOU CHART and her drawings really have the wolves howling for more. Another artist but in the serious line is PHYLLIS DOOLITTLE who makes her living (and her husband's) by interior decorating. In Michigan the name for good fishing and hunting is EDDIE NAGEL who knows the trails and lakes by heart. Ed has returned from a lengthy trip to Africa and has plenty to talk about if the fish don't bite. The top woman general in the world is our own ARLENE CARLSON and she has worked her way up from private first class. The next in command is DELORES BARICH and the girls say they're mighty tough. The Chicago Hornets have finally won a game in the All-American Conference and the only reason this miracle happened is that they have DALLAS MAYO playing quarterback and also taking a part-time coaching job. Mayo scored ten touchdowns yesterday in the thrilling contest at

Soldier's Field. Throughout all the music land we hear the applauses for CHARLOTTE KUNARD and the magic melodies of her zither. They even have Stowkowski listening and that's good. (It says here). The top name in the Western music field is the FIELDS girls, EDITH and LORRAINE. After several years of diligent practice they are now on top and play every night on the radio and are the top performers on the Saturday night Barn Dance. EVA KAUZLARIC is running a secretarial school and giving all her students her own experiences in the field and advancing the ideas which she has learned under KMC. The waffling stranger of the group has really traveled around the world and if you want to know about any place from Alaska to Hawaii just ask JACK PRIDE. HELEN BENNETT has built the long awaited hospital in Eagle River and she does all the nursing by herself. Next door to the hospital is the great steam laundry run by NELLIE GREEK and they wash the fastest and the bestest in town. The top recording artist in the world today is none other than our own ANGIE SIMAC and her golden voice has thrilled millions the world around. KEITH HEAL has worked his way up from paperboy to become the head manager of the Milwaukee Sentinel and he really puts out the copy for his readers. The newly graduated West Point cadet now commissioned private first class is our prize student CLAYTON FIEDLER who has realized his life ambition. The top man in the foot business is RICHARD PRIDE and he cuts corns and paints toenails for a lifetime trade. Can it be that he wears a clothespin around his nose? WARREN MERKEL has bought a new convertible and just rides around and enjoys life in the best manner possible. His rich uncle left him five million dollars and he lives in a wealthy penthouse. Whatta life! DUANE CLURE is the top admiral in the navy and has his own ship. What, did you say it was a sailboat? DONNA NAGEL is a commercial knitter but really she does most of her knitting for her own children. (She and Jerry have fifteen at the present time). The top housewife in the country is JANICE NOWLAND and her cooking is noted the world around. She specializes in hamburgers and french fries. Some of the best-selling novels in recent years have been turned out by MARIAN HEIN and she claims all the credit goes to the English teaching of Mrs. Hanke. The best in the dog business, training that is, is that old bulldog, DON SCHUSTER who has followed his life-long ambition and now turns out the smartest and best-looking canine creatures known. EMILY MANTEUFEL and MARILYN MURSETT have formed a man-trapping corporation and at last report they were selling them wholesale and making a profit for themselves. The profit?, well confidentially it's a husband. ANGIE BROOKER is the beauty queen of the north woods and the only reason people come to the Plum Lake softball games in the summer is to view the life-like portrait the community has erected for her. MIRIAM LYONS has bought a fleet of cabs and with her husband's diligent help she transports all the people in Eagle River. The best way to make money is to burn up all the cars owned in the district and this is precisely what she did. The best teacher in the district is RUBY MAYO and she has a large class of students. Is it true that they are all her own? The speed-boy BILL KRIFECK is still in high school playing football and hockey for the good old alumnus. Last year the WIAA almost caught up with him tho' and he claims this year is his last. CLIFF LACROSSE runs a sportman's bar in St. Germain and they serve nothing but Coca-Cola and candy. But the bar comes from the back room where they also run a roulette wheel and dice games. The top resort in the north which caters especially to movie actresses is proudly run by RUSS JEFFERSON and he's been married six times but is now single and the most eligible bachelor in the country. The wacky scientist and inventor who lives in the outskirts of Eagle River is the former CHARLES WOLFER who is now known as the mad scientist and who experts claim now knows less about science than any man living in America. TED KOZALINSKI runs a tip-top dairy farm in Maine and he feeds the cows on beer and pretzels and the milk is out of this world. The top bars in New York City buy from him and the drink made from his product is known as white cow. MARION DEAN is the top telephone operator in Chicago and she gets more business than any other three operators combined. Can it be that most of her calls are young men asking for another date? Happily married to the boss, ex-secretary DORIS FONFEREK is the happiest young woman in the world and her four daughters help to illustrate this also. Might we notice that NANCY HOECKER is the top actress on the legitimate stage today and she rates applauses from the critics when she places her foot on the stage. Hollywood has offered her a million dollar contract but she is too busy to sign a trifle piece of paper like that. DON MAYO has replaced Kert Eikerberger as the chief ski instructor at the Northernaire and he caters especially to the feminine types. BONNIE HUNTER is happily married and she and hubby Dorian get along just swell (they have four children—proof enough!) The top night club operator in Florida is DORENE WANTY who really puts on a snow for the cash customers. MERILYN CARTER has finally made Carnegie Hall with her flute, and hopes to be playing with Spike Jones' Band in the near future. I shall now close this glorious message and den up for fear of what may happen when it is read. Cheerio, my dear friends, I hope you're still "friends".

ALL CONFERENCE SELECTIONS  
1st TEAM - Mayo and Zaruba  
2nd TEAM - Kriek and Hall

**14-0**  
GRID SEASON OPENS WITH ERMS VICTORY OVER RHINELANDER  
In the season's opener, the Eagles played the Rhinelander "B's" scoring twice on passes from Mayo to Hall and Kriek. Several other plunges were missed because of lack of offensive polish, but the Eagles looked good in their season's opener.

**0-0**  
RED AND BLUE EDGE OUT WABENO "LOG ROLLERS"  
In resuming their conference schedule, the Eagles edged out the Wabeno Log-rollers as Wolfar paced the 38 yards for the lone marker in the last period. The line turned in some of the best work shown this season.

**0-0**  
EAGLE GRUSTERS TOP LAONA SQUAD IN CONFERENCE OPENER  
The Red and Blue traveled to Laona for their conference opener and edged out a narrow victory in a well-played contest. Mayo scored on a short blunge with ninety seconds left in the game. Paulman, Nagel, and Zaruba stood out in the line, while Sparks and Mayo looked sharp in the backfield.

First Row: J. Scheffler, D. Hall, C. Fiedler, L. Zaruba, L. Paulman, D. Schuster, T. Frykholm, B. Ewald  
Second Row: B. Kriek, C. Wolfar, D. Gunderson, C. Anderson, K. Heal, R. Elliott, E. Nagel, R. Sparks, D. Rossi.

Third Row: Coach Johnson, D. Bush, W. Kaye, B. Swett, L. Heal, D. Ellerman, A. Meyers.  
Fourth Row: E. Drager, A. Richter, D. Karanke, F. Saller (Manager), M. McCormick, C. Cooley, T. Fredrickson, L. Guth, D. Drager, B. Schlack (Manager).

**19-0**  
CARDINALS GO TO VICTORIOUS EAGLES IN "DEDICATION" GAME  
In a rugged contest, the Eagles racked up their second straight conference win at the expense of the Grandon Cardinals. Mayo scored on touchdown and passed to Ewald for another, while Sparks collected the third TD. Kriek added the lone extra point. The game was played under the new lights for the first time, and it also celebrated the Wisconsin Centennial.

**6-3**  
JOHNSONMEN DROP THRILLER TO GOODMEN "11"; MILLERS CLINCH CONFERENCE TITLE  
In the top conference battle, the Eagles dropped a thriller to the Goodman Millers, under the lights at Eagle River. Mayo scored the lone ER tally, but the running and passing of Ewald and Paulman was too much for the Johnsonmen. The Millers led seven to six at halftime, but added another touchdown in the third quarter to clinch the game and the conference title.

**20-20**  
GRIDMEN SHOW TOP PLAY TYING POWERFUL PARK FALLS ELEVEN  
Playing their top game of the season, the ER "11" tied the powerful R-cards from Park Falls. On that muddy field, the Eagles scored twice in the final minutes of passes from Elliott to Ewald, and tied up the game. Wolfar paced for the third TD and scored two extra points, in the best showing of the season for the Eagles.

**13-13**  
BRILLIANTLY PLAYED HOMECOMING BATTLE ENDS IN TIE WITH TOMOHAWK  
In the annual homecoming battle, the Eagles turned in a brilliant contest as they fought back to tie up the game, and only the clock stopped them from scoring the winning marker. D. Hall collected all thirteen points for the Red and Blue in a hotly contested night battle. Mayo was lost to the team for the remainder of the season when he suffered a fractured leg in the second quarter.

**0-20**  
ISLANDERS TRIUMPH OVER EAGLE RIVALS FOR A HOMECOMING VICTORY  
The Eagles traveled to Minocqua for their final conference battle of the season and took their first worst defeat at the hands of the Island City eleven. Minocqua struck fast and maintained its lead throughout the game. Only once, in the last period, did the Eagles threaten seriously.

November—and the Eagle River cagers were off to another season. The Johnsmen dropped their first game to the Rhinelander Hodags by a 59-38 score. Hall paced the Eagles with 16 points and Ewald added 10. Marv Elliott showed some brilliant play and established himself as a starter. Jim Verage paced the victors with 23 points on some red-hot shooting from the side. The Eagles tasted victory in their second start of the season as they took the measure of the Crandon Cardinals by the close score of 46-41. Hall collected 19 counters to pace the Red and Blue while Case stood out for Crandon with 26 markers. The opening conference game saw the Eagles trounce the Elcho Hornets by a 44-26 count. Hall and Stein had 10 apiece for the balanced ER scoring, while Nagel collected 9 and Ewald, 8. Playing their second conference tilt, the Eagles dropped a thriller to the scrappy Three Lakes Bluejays by a two point margin, 36-34. Hall and Nagel kept the ER team in the game with 11 and 9 points respectively, but the one-two punch of Stoehr and Bonack, collected 27 points between them for the winning total. The next contest for the squad was a non-conference tilt with the Park Falls ball club, and the Eagles dropped a 43-35 decision at home. Marv Elliott turned in some brilliant shooting and tallied 10 markers while Ewald and Nagel collected 8 each. Greenwood P.F. Sophomore, collected 15 for the Cardinals. In one of their top efforts of the season, the Eagles tripped the powerful Minocqua Islanders by a one point margin in an overtime contest. Ewald and Hall collected 16 and 15

contest. Hall and Stein took scoring honors with 13 and 12 point totals. Two Juniors, Hall and M. Elliott, paced the Eagle team to victory as they next traveled to Elcho and tripped the Hornets in a conference tilt. The two guards tallied 16 markers apiece to add up to a 46-30 victory. The Eagles put their title hopes on the line in their final home game against the Three Lakes squad, dropping out of the conference race when they were defeated by a 55-48 score. Ewald turned in a brilliant scoring record as he tallied 16 points, but this was not enough for victory as Everhart and Ingram collected 16 and 15 points respectively for the neighboring boys. The Eagle River boys journeyed to Park Falls and turned in a top game although they dropped a 64-58 decision. Nagel, Hall and Ewald formed the main offense as they collected 19, 14, and 10 points; but Steiger took the scoring honors as he dropped in 25 counters for Park Falls. The ER team then traveled to Minocqua and dropped a 62-39 decision to the red-hot Islanders as their star forward W. Herrick collected 23 points for the winning total. The Red and Blue journeyed to Phelps and barely escaped with a victory over the home team who couldn't seem to "miss" a shot. Hall and Ewald collected 30 points between them to pace the Eagles, who put on a strong last quarter finish, to win by a 49-45 score. Ralph Whitehead paced the Knights with 12 points. THE EAGLE RIVER BEES, UNDER THE CAPABLE HANDS OF COACH G.V. SIMONS, TOOK THE TITLE IN THE NORTHERN DIVISION AND THEN DEFEATED THE GOODMAN B SQUAD AT THE JAMBOREE, FOR CONFERENCE TITLE. This year our student council has been very active. They have devised a demerit system that has worked out very well, and have added to the school's benefit immensely. As some poet has said so aptly:

"Oblivion is the common lot of common men;  
 They die forgot.  
 He who would live in the halls of fame  
 Must do much good  
 Or do much harm!  
 Fame lifts her voice alone on high  
 To those who hold the public eye!"

Eddie Nagel's head bobbed up over the garden wall and a meek little voice said, "Please, Mrs. Jones, may I have my arrow?"  
 "Certainly," replied Mrs. Jones, "Where is it?"  
 Eddie: "I think it's stuck in your cat."

Virginia: "I want a pair of red shoes with low heels."  
 Shoe Salesman: "To go with what?"  
 Virginia: "A short hockey player."

Jeanne Brandner boarded a crowded bus with a pair of skates slung over her shoulder. An old gentleman gallantly offered her his seat. "Thank you, sir," she said, "but I prefer standing. I've been sitting all day."

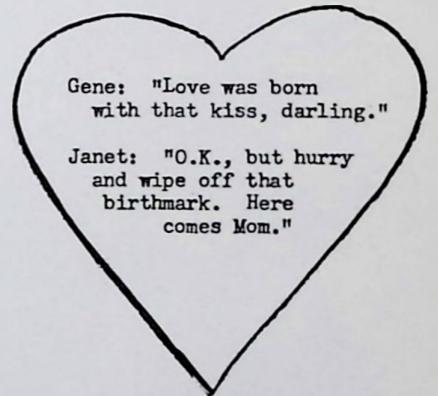

She: "You beast! Where is your chivalry?"  
 Barry: "That old thing! I traded it in on a jeep long ago!"

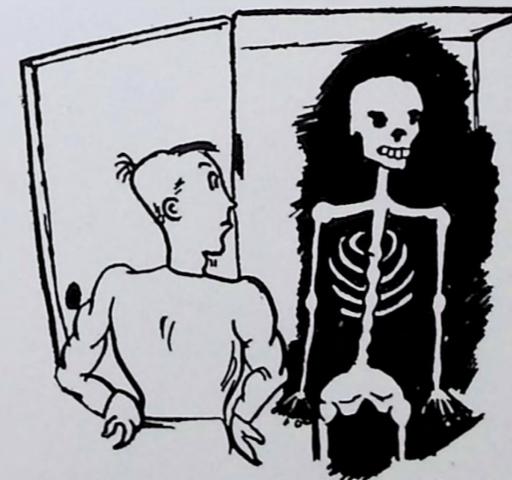

Mr. Simons: "Bill, who split the atom?"  
 (No reply.)  
 Mr. Simons: "Bill!"  
 Bill Kriek: "Don't look at me. I ain't touched it."

Little Willie Sparks is at the awkward age—too young to leave home alone and too old to trust with baby sitters.

He was about to propose, but before doing so he wished to make sure she would make a good housewife.  
 "Can you wash dishes?" he asked.  
 "Yes," she replied. "Can you wipe them?"  
 (He didn't propose.)

Gene: "Love was born with that kiss, darling."  
 Janet: "O.K., but hurry and wipe off that birthmark. Here comes Mom."

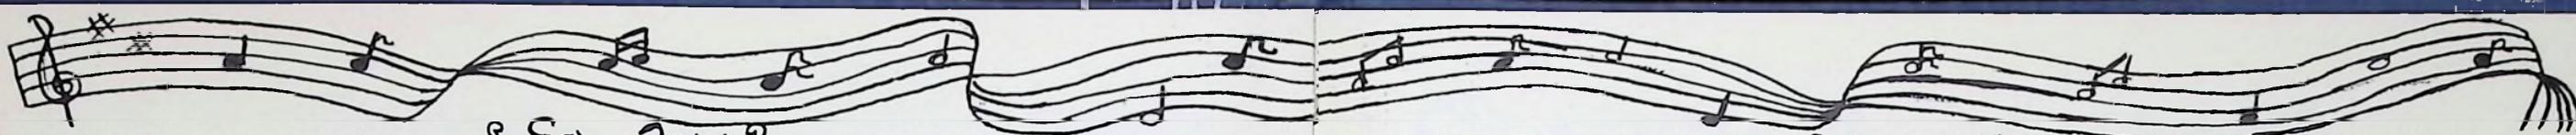

**DROP DEAD!**
